

HEROS

A NEW LIFE AFTER RACING

Your legacy makes a difference

*Are you able to
help us retrain and
rehome
ex-racehorses?*

More than 7,000 racehorses leave racing each year – with our help many find good homes and new lives. We need your help to continue our work ensuring these horses do not become vulnerable and unwanted.

HEROS relies almost entirely on public donations. We are asking for your support to enable us to continue providing appropriate futures for vulnerable and unwanted ex-racehorses. Each horse can cost us thousands to retrain and rehome – we could not help them without your support.

Legacy gifts can take many forms. You can leave a gift to HEROS by adding a clause to your Will or by making a codicil to an existing Will. Please call us to discuss your wishes or take professional advice from your solicitor.

How your legacy can make a difference...

Are you able to leave a charitable gift in your Will after you have provided for your loved ones?

There is no better way to show how much you care about these horses and their future than by leaving something to HEROS in your Will.

Even a small legacy can help us to give an exceptional horse a happy, useful life after racing.

It costs thousands of pounds and can take months to rehabilitate horses with injuries. Those with no physical problems need time to rest, a thorough assessment from our team of equine professionals and then specific retraining for new equestrian disciplines.

What we do...

Considerable time is spent in matching a HEROS horse with the new home. Your gift, however small or large, means that we can continue to ensure our horses receive the very best of care and retraining. Your help directly helps ex-racehorses to achieve a new life and purpose in specially selected homes.

1. Ensure all HEROS ex-racehorses have a future...

Every legacy gift to HEROS goes directly towards our work with vulnerable ex-racehorses ensuring they have an appropriate life once their racing days are over.

2. Promote the survival of HEROS Charity...

Gifts from our supporters have already helped us continue and grow as a centre of excellence. Your legacy will help us with specific projects as well as helping with our annual running costs.

3. It's simple...

Legacy gifts can take many forms. You can leave a gift to HEROS by adding a clause to your Will or by making a codicil to an existing Will.
